## BuildPoint 2021 Has Been Postponed

Due to the ongoing impact of the COVID-19 pandemic, including current government restrictions and limitations on large gatherings and travel, BuildPoint, which was originally scheduled for April 11–14, 2021, has been officially postponed to October.

**BuildPoint will now take place October 3–6, 2021, at the Marriott Chicago Magnificent Mile in Chicago, Illinois.**

Our community is incredibly eager to come together again in person. After consulting with customers and partners, we made the decision to secure dates in October in order to maximize success for the event for our entire audience.

We will be in touch with each of you for your participation.

As you and your business face these uncertain times, please know that you are in our thoughts and we are here to support you throughout.

Best regards,  
The BuildPoint Team
